SYNOPSIS

While her husband is on a business trip, Gamhee meets three of her friends. She visits the first two at their homes, and the third she encounters by chance at a theater. While they make friendly conversation, as always, several currents flow independently above and below the surface of the sea.

CHARACTER AND CAST

Kim Minhee as Gamhee

“He says that people in love should always stick together.”

Gamhee ends up meeting three of her friends, and she tells each of them that this is the first time in the past five years that she’s spent time apart from her husband. She has recently cut her hair short.

Seo Younghwa as Youngsoon

“I usually don’t drink, because when I do, my face gets so flushed.”

Because of Gamhee’s rare visit to her home, Youngsoon ends up drinking a lot, and eating a lot of meat. It hasn’t been long since her divorce.

Lee Eunmi as Youngji

“You bought very high quality meat.”

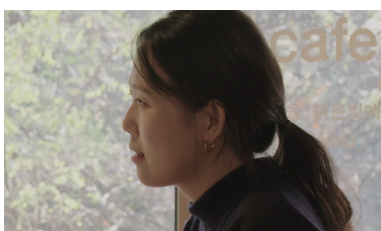

A woman who lives with Youngsoon. Thanks to Gamhee, she is able to grill some meat. She likes meat very much. She feeds the stray cats who live around their home as if they were her own children.

Song Seonmi as Suyoung

“I’m going to save up \$1 million.”

Working as a Pilates teacher, she has been able to save up a lot of money. Having recently moved to a fun neighborhood, she wants to enjoy life. Years ago, she and Gamhee used to live a somewhat wild life.

Kim Saebyuk as Woojin

“There’s something I want to say to you, is that okay?”

Having run across Gamhee by chance, she is able to apologize for a wrong she did in the past. She has been waiting for this opportunity for a long time. It seems that her husband has become two-faced since becoming famous, which puts her off.
